

Timeless Beauty: Modern and Antique Carpets and Rugs in South Africa

Whether you're decorating a contemporary apartment or restoring a classic heritage home, carpets and rugs are more than just floor coverings — they're works of art that tell a story. At Persian House International, South Africa's trusted name in luxury flooring, we bring you a curated selection of both [modern and antique carpets and rugs](#) that combine tradition with innovation.

From **vibrant Persian masterpieces** to sleek, minimalist modern designs, our collection caters to homeowners, designers, and collectors alike. Each piece is hand-selected for its craftsmanship, materials, and cultural significance. Our antique rugs showcase intricate weaves from Iran, Turkey, and Central Asia, while our modern pieces reflect global trends in texture, pattern, and color.

Why Choose Our Carpets & Rugs?

- **Authentic Hand-Knotted Designs**

- **Imported Persian & Oriental Rugs**
- **Custom Sizes Available**
- **Expert Cleaning & Restoration Services**
- **Nationwide Delivery Across South Africa**

Whether you're in Cape Town, Johannesburg, Durban, or anywhere in between, our rugs transform living spaces with warmth, texture, and sophistication.
