

Eicher 551: A Reliable Workhorse for Indian Farmers

If you're looking for a tractor that balances power, efficiency, and value for money, the [Eicher 551](#) from TractorGyan is worth your attention. This model is one of Eicher's most popular tractors — built to handle a wide variety of agricultural tasks with ease.

Key Features & Specifications

The Eicher 551 is powered by a three-cylinder engine with a displacement of 3,300 cc. It delivers 49 HP (36.04 kW), making it powerful yet fuel-efficient under load. It offers an impressive lifting capacity of up to 2,100 kg via its automatic depth and draft control hydraulics. The linkage is Category II, suitable for heavier implements.

The tractor comes with 8 forward and 2 reverse gears, a side-shift partial constant mesh transmission, and options for single or dual clutch. PTO speed is 540 rpm with 41.7 PTO HP, compatible with a wide range of farm tools.

It reaches a maximum forward speed of 32.9 km/h and features power steering for easy handling. The brakes are multi-disc oil-immersed, ensuring safety and control in all terrains. With a 57-litre fuel tank, 3,660 mm length, 1,775 mm width, 2,260 mm height, and 1,980 mm wheelbase, it is perfectly balanced for field and transport use. The total weight is 2,190 kg.

Price & Why Choose It

TractorGyan lists the price of Eicher 551 between ₹ 6.70 lakh to ₹ 7.00 lakh in India. With its durable engine, strong hydraulics, and efficient performance, the Eicher 551 stands as a reliable choice for farmers seeking a powerful yet economical tractor.
